## NEW PRODUCT RELEASES

### STATIC SUNSHADE NEW 15 METRE PACK

Due to popular demand, we have released the black static sunshade in a bulk pack. You can still order our very popular black and silver sunshade material in the smaller 1.2 metre pack.

The Static Sunshade is ideal for both rear and side interior windows on cars, vans and 4WDs. These sunshades are easy to fit; just trim to size! Blocking out 95% of UV rays, these handy shades can be removed and reused as you need them.

**PART No. - LE6015B**  
**Black 1500cm x 60cm**

### 250PSI AIR COMPRESSOR

**UPGRADE**

The AC022 Air Compressor has now been superceded by a new model. The AC033 has all the features of it's predecessor and stock is available now.

We recommend that you amend your records with the new part number. If you order the AC022 you will automatically receive the AC033.

**PART No. AC033**

**AVAILABLE NOW!**

### NEW RETAIL PACKS FOR BATTERY CABLES

We are releasing a new range of battery starter and switch cables in a quality retail pack designed to improve sales and product awareness.

These new packs will become available in late March. Part numbers will remain the same as currently listed in our product catalogue.

**STANDARD PACKS**

**PART No.**  
**Black 120cm x 45cm - LE45B**  
**Silver 120cm x 45cm - LE45S**

### 7.5 AMP POWER SUPPLY

**UPGRADE**

The SB7915A has been superceded by a new model. If you order the SB7915A you will receive the SB7975. It features a built in cooling fan, 8A circuit breaker with reset button, LED power indicators and C-Tick approval. It converts 240V into 12V DC and can supply up to 7.5 amps of continuous power. Ideal for use with most 12V powered accessories. **AVAILABLE NOW!**

**PART No. SB7975**

## NEW PRODUCT RELEASES

### TOWING MIRRORS

#### EASY FIT TWIN PACK

This extremely popular style of mirror fits most factory and aftermarket mirrors. The convex shape offers maximum vision and a strong synthetic strap ensures secure fitment. Easy installation, no tools required. Mirror slides out in seconds leaving base strap secured.

**PART No. MH3006**

Pack Includes 2 Mirrors

#### MULTI-FIT HEAVY DUTY

This is one of the most versatile quick fit mirrors available on the market today. Aside from having the flexibility to suit a myriad of mirror shapes, the rotating head provides both portrait and landscape positioning which helps to eliminate blind spots. Includes adjustable wide angle spot mirror.

**PART No. MH17**

The multi-fit feature can adjust to fit these sized mirrors and almost anything in between!

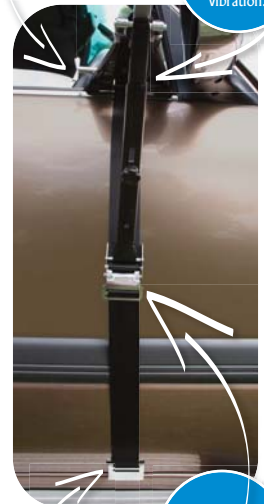

#### RATCHET PRO

This premium heavy duty ratchet model offers superior vision and stability with reduced wind resistance. It is ideal for most cars, 4WDs and vans.

**PART No. MH3015**

Adjustable ratchet mechanism.

Wide mounting plate aids stability and reduces vibration.

Bracing clip fits under door to aid stability.

Strap tensioner with protective pad.
